

## Mountain Dew

Moshe Yess—Guitar, Vocal, Kindling & Moison; Rabbi Shabse Krevsky – Percussion & Backup vocals  
Inspiration: Plenty of Mountain Dew

Down in the bog there's an old hollerd' log  
where you lay down a dollar or two  
And you go round' the bend when you come back again there's good ol'  
mountain dew!  
And they call it the good ol' mountain dew them that refuse it are few  
And I hush up my mug when you fill up my jug with some good ol' mountain dew.

And my uncle Mort, he's sawed off and short  
He only stands about four foot two  
But he feels like a giant when they give him a pint of that good ol' mountain dew.

(And they call it the good ol' mountain dew...)

My Uncle Bill had a still on the hill where he ran off a gallon or two  
When revenuers came by he just spit em' in the eye  
With some good ol' mountain dew.

(And they call it the good ol' mountain dew...)

Down in the bog there's an old hollerd' log when you lay down a dollar or two  
You feel like a giant when they give you a pint of good ol' mountain dew  
I said they call it the good ol' mountain dew them that refuse it are few.

(And they call it the good ol' mountain dew...)
