

## Treat Her Kind

Shlomo Katz & Gershon Veroba–Vocals, Guitars, Keyboards, Percussion; Tony Montalbo–Bass; Josh Henderson–Viola

Treat her kind old friend treat her kind  
Without her where would you be now today?  
Everything G-d gives you is on account of her  
All she needs is kindness  
To make it through her day  
Treat her kind.

Angry words come easy and they sting.  
That's not the promise that you gave her.  
With that wedding ring.  
The love the two of you deserve to find  
Is waiting for you when you treat her kind.  
Treat her kind

Treat her kind, old friend, treat her kind.  
She makes a better person out of you  
And blessed is the life  
Of a man with a good wife  
Treat her kind, it's the least that you can do  
Treat her kind.
